	The President in his letter no. 834.d 9.6.09 promised to send up in consultation with the District Board a detailed scheme for the organization of a cattle Show. But subsequently he reports that the scheme for awarding prizes will be similar to that sanctioned for
Amount of prize is Rs 200 at Chunchinkatte	Chunchinkatte through the District Board was not consulted in the matter. At Chunchinkatte the cost of the prizes is met from the District and Municipal funds in equal proportions while the realizations from fees are credited to the temple fund at the place while the fees to be levied at Madduru are proposed to be credited to District funds. Moreover the number of cattle
No. of Cattle assembled at Chunchinkatte during last Show is 7467 Flag V	and people that are expected to assemble at Madduru is not likely to be so large as in the case of Chunchinkatte Consequently the same scale of prizes may not be suitable.
While the no. expected to assemble at Madduru is only 1000. Please see Sl no 3	Moreover the proposal to levy fees has not been placed before the District Board.

7	From The President D.B. Mysore No 5218, 17.1.1910 forwarded with Rev Commrs No 7163 dated 21st Jan 1910 Reports that the site selected for the Show belongs to the Temple at the place and forwards a copy of the resolution of the District Board in the matter The Board are agreeable to levy the fees during this year only while they propose to make the Show an annual event They have resolved to meet the cost of awarding eight prizes 2 at Rs 10 each & the others at Rs 5 each and propose that the Sanitary Charges on the occasion should be borne by the municipality
8	Since the land on which the Show will be held belongs to the Temple the realisation from fees may have according to precedents as in Chamarajendra Kattle, to be credited to Muzrai funds
9	The duty of organising and managing cattle Shows is one devolving on the District Board and as such it is not clear how the municipality can be asked to bear the sanitary charges while it derives no income from the Show
10	The Muzrai branch will have to be consulted in the matter It is a point for consideration as to whether the holding of a Show should not be sanctioned

With reference to Government Order No 86-S / L.R.415-08-2 of the 3rd July 1909, calling for further report regarding the organization of a cattle Show at Madder in the Mandya Taluq, I have the honor to state that Mandya and its neighbouring Taluq of Nagamangala contain a fairly good breed of cattle, it is proposed to encourage the same and create an incentive among cattle-breeders to improve their stock, by holding an annual cattle-Show. As Madder is situated in the centre and as it affords all the conveniences for a cattle-Show in the matter of fodder and shade, that place has been selected for the purpose. It is reported that about a thousand cattle will collect during the Rathothsavam
